**Jill M. McCormack, Interlocutory Attorney:**

Proceedings are suspended pending disposition of (i) Opposer's motion to strike an Affirmative Defense from Applicant's answer; (ii) Opposer's motion to compel the production of documents; and (iii) Applicant's cross-motion for a protective order. The parties should not file any paper that is not germane to the motions. *See* Trademark Rule 2.120(f)(2).

The parties may not serve any additional discovery until the period of suspension is lifted or expires by or under order of the Board. The filing of the motion to compel disclosure or discovery shall not toll the time for a party to comply with any initial disclosure requirement, or to respond to any outstanding discovery requests or to appear for any noticed discovery deposition.

The motions will be decided in due course.
